INSTRUCTIONS

The following questions serve as an internal audit checklist regarding the agencies security procedures relating to Internal Revenue Service documents and federal security implementation controls. The purpose of this questionnaire is to measure the agencies level of compliance with federal disclosure regulations.

When answering the questions in this document, the answers should be entered on the line directly below the question. Formatting and color for the answer has already been set, so modifying this it not advisable. The responses will be colored blue, so it's easily identifiable. For Example:

1. How is FTI received from the IRS?

FTI is received from the IRS via the secure Tumbleweed client to a Windows XP workstation.

After completion, the form should be printed out and signed by the Disclosure Officer and the Director from the Agency.

The Agency should complete the contact information below for all parties that involved in supplying information.

Name	Title	E-mail

It is advisable for the agency to collect and maintain documented evidence to back to answers to this report in the instance of an audit. Having this evidence on hand will also aid the IRS Safeguards on-site review.
